

No. N-45011/25/2022-DAS  
Government of India  
Ministry of Information and Broadcasting

Room No. 544-A, 'A' Wing  
Shastri Bhawan, New Delhi – 110001

Dated: 23<sup>rd</sup> October, 2023

**ORDER**

This Ministry has granted MSO registration from time to time. Some of these MSOs, along with their registration details, have been tabulated and enclosed as Schedule to this order. These MSOs listed in Schedule are hereafter referred to as "Scheduled MSOs".

2. One of the terms and conditions of the MSO registration was that MSOs shall comply with the provisions of the Cable Television Networks (Regulation) Act, 1995, and the Rules made thereunder, as amended, and adhere to all the terms and conditions of the registration. Failing to do so, the permission granted is liable to be cancelled or suspended. MSOs were also required to submit a list of their subscribers and other details as per the requests made by the Ministry from time to time.

3. Further, according to Regulation 15(1) of the Interconnection Regulations, 2017, it is mandatory for every distributor of channels to conduct an audit of their system once in a calendar year. However, as per the information shared by TRAI, the Scheduled MSOs has not conducted audits of their systems for the calendar years 2021 and/or 2022. Also, Scheduled MSOs were requested to furnish information like seeding date etc. under Rule 10A of the Cable Television Networks (Regulations) Act, 1995. Taking into account non-compliance, this Ministry marked the status of these MSOs as "Non-Compliant".

4. Furthermore, through this Ministry's advisory dated 23.03.2023, all broadcasters were advised not to enter into interconnection agreements with non-compliant MSOs and to notify the non-compliant MSOs with whom they already have interconnection agreements.

5. However, despite being classified as "Non-Compliant", the scheduled MSOs have not made any references to this Ministry for the alteration of their status to "Compliant". Therefore, a Show Cause Notice dated 25<sup>th</sup> July 2023 was issued to these MSOs, seeking

an explanation for the contraventions mentioned in the preceding paragraphs. The MSOs were given 15 days to furnish their replies.

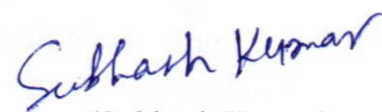

6. However, it was observed that the scheduled MSOs did not provide the requisite clarification/explanation within the stipulated period, therefore, a communication dated 24<sup>th</sup> August 2023 was issued to these MSOs in which they were asked to furnish the requisite information within a period of 15 days i.e. upto 09.09.2023.

7. However, the scheduled MSOs did not provide the requisite details within the stipulated period, therefore, as a last opportunity, communication dated 20<sup>th</sup> September 2023 was again sent to all the Scheduled MSOs. In this communication time period upto 10<sup>th</sup> October 2023 was granted to these MSOs to provide the requisite information.

8. However, it has been observed that despite lapse of the given period, the scheduled MSOs have failed to provide the requisite information or make any reference to this Ministry regarding their compliance status. By doing so, these MSOs have continued to remain in contraventions outlined in preceding paras.

9. Therefore, in view of the above and in exercise of powers conferred under Section 4(7) of the Cable Television Networks (Regulation) Act, 1995, the MSO registrations of the scheduled MSOs are hereby cancelled with immediate effect.

10. Appeal against this order, if any, lies with the Secretary (Information and Broadcasting), provided that such an appeal is made within 30 days of issue of this order.

(Subhash Kumar)

Deputy Secretary to the Govt. of India
